PERCILLETTES.

City Council to-night.

It was warm as summer weather again yesterday.

Mrs. L. Wilkins is prepared to execute all kinds of stamping at the Somerville residence, Branner's Addition.

The Cleveland quarantine regulations have expired by limitation, the quarantine is lifted and everybody is invited there from all parts of the world.

Mayor Luttrell received yesterday for the yellow fever relief fund \$46.55 from the Second Presbyterian Church. There was sent to Chattanooga Wednesday \$300 cash and about \$50 worth of provisions. About \$100 of the fund yet remains on hand.

Mr. J. R. Ogden, of the E. T. V. & G. & M. & C. Railroad, has just been down looking after railroad matters at Huntsville, Chattanooga and other points. They expect to resume the freight business along the lines with full activity in a few days.

Nashville American, Wednesday: Gov. Porter yesterday appointed W. W. M. Danell, Chancellor of the Memphis Chancery Court, vice Charles Kortrecht, deceased, and John E. R. Ray, Judge of the Criminal Court of Memphis, vice P. T. Scruggs, deceased.

Some of our up-country exchanges are laboring under the erroneous impression that the railroad stockholders convention is to be held in this city on the 27th inst., which if they will notice falls on Sunday. The convention is Nov. 27th as is published in our columns every day.

A Hawkins county stock drover, named Branch Long, according to the Rogersville Spectator, was taken in and done for to the tune of \$1,400 cash and a check for \$300, by one of the followers of the circus at Bristol last week. The money and check were the proceeds of a successful trip to Baltimore with cattle, from which he was returning home, but he was relieved of every cent. The Spectator says, "Mr. Long followed the parties to Knoxville, but from some cause concluded not to push the matter further."

Sweet Crab Apple Cider.

At John Hudiburg's, also Apple Butter at 10 cents per pound, Limburger Cheese, Holland Herring, fresh Oysters and fresh Fish.

Don't Forget.

That I am selling Ziegler's Ladies and Misses, and Dunsbar's Children's Shoes, and all other goods in my line at cost to close out.

J. J. O'CONNOR, 98 Gay street.

Personal.

Capt. Wm. Kerr returned Wednesday night from a short trip to the Atlanta fair.

Mrs. Colburn returned yesterday from a business trip to Bristol and other points up the road, working up the interests of the Accident Insurance Company.

Tournaments at the Risk.

There will be three tournaments at the Risk: one on Friday night, October 25, November 1st and November 8th, the contestants to be six town boys and six cadets. The successful party will be presented with a \$15 gold headed cane. Dancing each night after the tournaments.

Fresh Oysters, by the Quart and Can, at KERN'S.

Good material is always requisite to great results. You may have the best flour, eggs, milk, shortening, however, and still have poor bread, cake, pastry, etc. Why? You didn't use Dooley's Yeast Powder. With this last magic element to give order, harmony, and union to the rest, the result is a mathematical certainty.

Supreme Court.

The argument in the case of Blevins vs. Cooke, and two other causes on the Knox county docket, were heard yesterday; also the case of John Crabtree, charged with manslaughter, which came up from the Circuit Court for Campbell county. Court will resume the hearing of the Knox county docket to-day, when the case of Landon C. Haynes, ex'r., vs. T. J. Powell et al., will be taken up.

A Most Cordial Invitation.

Is hereby extended to the members of the Annual Conference and other strangers in the city to examine our elegant lines of suits, Overcoats, Shirts, and Underwear. You will find our stock very complete, and our prices extremely low. We treat the stranger just the same as our neighbor, as we have but one Price for all. Our goods are marked in plain figures from which there is no deviation. We will take pleasure in showing you through our stock, whether you wish to buy or not.

HEART BROS.,

The One Price Clothiers, opposite Cowan, McClung & Co.

To Lovers of Good Eating.

We have received our first shipment of that delicious Buckwheat Flour that gave such general satisfaction last season. It is made by a process entirely unknown to others. It is so absolutely pure that the delicacy of its flavor would be impaired by the incorporation of any self-rising chemical. If you want a delicious Buckwheat cake there has never been anything made to compare with it. Hudiburg's Honey Syrup is the best, finest and most delicious goods ever sold in this city. Sold only by John Hudiburg.

Shall We Have a New Fire Engine?

The question of purchasing a new steam fire engine will in all probability be brought up before the City Council at its meeting to-night, and it is hoped they will act in the premises with due consideration. The fact that a new steamer is almost an imperative necessity to the safety the property of the city, has been but recently demonstrated. The steamer now in use does good work, but it is about eleven years old, and is getting well worn, and in the midst of a raging fire something should give way, the city would be left to the mercy of the flames.

As for the hand engines, they are also all old and out of repair, and in a heavy fire, are not capable of much service. Hence, all things considered, we are almost compelled to have a new steamer. It can be purchased very cheap now. Besides, we learn that some generous and liberal citizens have agreed to advance a portion of the money for said purchase, and if proper steps are taken we have no doubt the purchase can be easily made, notwithstanding the pressure of the times. It is to be hoped by all means that the Board to-night will take prompt action in the matter.

Odd Fellowships.

Before the adjournment of the Grand Encampment I. O. O. F., in Nashville Tuesday, the following officers were elected for the ensuing year:

Marion Jones, Memphis, Grand Patriarch; F. Smithson, Pulaski, Grand High Priest; H. J. Brady, Spencer, Grand Senior Warden; J. R. Harwell, Nashville, Grand Secretary; W. A. Barry, Nashville, Grand Treasurer; G. W. Gregory, Newburg, Grand Junior Warden; Robt. Thompson, Nashville, Grand Representative to the Grand Lodge of the United States.

Article V. of the Subordinate Constitution was so amended as to be in accord with the recent law in regard to the re-instatement of members suspended for non-payment of dues.

Art. XV of subordinate constitution was amended, fixing the minimum rate of fees as follows: For Patriarchal Degree, \$2; for Golden Rule Degree, \$3; for Royal Purple Degree, \$3; for admission of Ancient Odd Fellows, \$2; for dues per annum, \$2. The Committee on the State of the Order submitted a report leaving it discretionary with the incoming Grand Patriarch and Grand Scribe to take up the charters of delinquent Encampments or to compromise with them at a rate of not less than fifty cents on the dollar.

Resolutions were adopted favoring the passage of a law by the Grand Lodge of the United States looking towards a system of mutual endowment; also favoring the consolidation of the Grand Lodge and Grand Encampment.

The Grand Lodge met Wednesday morning.

Arthur (who has been listening with breathless interest to one of grandpapa's Bible stories)—And were you in the ark, grandpa, along with Noah and all the rest of 'em? Grandpa (indignantly)—No, sir; certainly not. Arthur—Then how is it you wasn't drowned?
